

# Museum horizon

*The foundation Hans Manneby Memorial Fund  
for Museum Development has on June 9, 2014  
decided to award the Prize for year 2014 to*

*Giane Vargas Escobar*

for her commitment and contribution to the strengthening of Afro-Brazilian identity and culture in Brazilian society by highlighting its rich cultural diversity, the memory of social struggles before and since the abolition of slavery, and the role of women in the transmission of collective memory, and for creativity and managerial skills in developing “clubes negros”, in promoting such networks and spreading the principles and practices of community museology in Brazil

Gothenburg Book Fair, Sweden  
September 25, 2014

Bertil Falck, President of the Foundation
